## STUDENT OF THE QUARTER

### SOPHIA WILHELMI

Sophia Wilhelmi had a positive attitude during this e-learning process. She was able to work consistently and go above and beyond her daily goals during e-learning. Sophia was a pleasure to have in class.

-Mr. G

### ESMERALDA ALEGRIA, KALEB KNUST, SIMONE WHALEN

This last quarter has been crazy to say the least. These 3 students managed to earn their diploma despite all the chaos going on in this world. We would like to congratulate Kaleb Knust, Simone Whalen, and Esmeralda Alegria. Way to go!! Best Wishes on your future endeavors. We are very proud of you!

-Ms. Kris & Ms. Marlisha

The second part of our school year has been interesting to say the least. However, the students in Classroom 107 have taken this change in stride. I thought long and hard to trying to choose 1 student for Student of the Quarter but could not. My students have shown growth and determination in so many areas of their lives. Many have completed all their academics; others have completed much of their academics. Some students have stepped up to a more responsible role in their family. Some have been caregivers while their parents/guardians have continued to work. Some students have taken jobs outside the home to help their family. Each student has weathered a global change and is learning what this change will mean. So, what I would like to end this school year with is a "Thank You" and "I am proud of each of you". I hope your summer is wonderful and I look forward to seeing you in the fall.

-Ms. Sherri

### RAFAEL ZARAGOZA

Rafael has transformed his academics in the last quarter of the year in order to accomplish a task that he thought would never come - High School Graduation. Rafael worked very hard from home during our E-Learning experience and went over and beyond what he needed to in order to ensure he achieved his goal of graduating. We are recognizing Rafael for his perseverance and his academic performance. Congratulations on your hard work, Rafael - it is much-deserved!

-Ms. Nicole & Mr. H

## SPORTSMANSHIP AWARD

Sportsmanship is a style and attitude that can have a positive influence on everyone around you.

It is defined as fairness, respect of one's opponent, and graciousness in winning or losing.

Both of these students have been killing it during quarantine!

**OLIVIA BIELSKI AND JORGE MAGANA-ELIAS ARE THIS QUARTER'S PE STUDENTS OF THE MONTH.**

-Mr. Bauer

## SCHOOL YEAR 2020-2021

### REGISTRATION

Registration info for Premier will be sent out via Blackboard Connect by the end of June, so be on the look out. Every student returning to Premier in the fall is required to register at their home school as well as at Premier Academy.

### SCHOOL IMPROVEMENTS

A lot of changes are taking place to our building this summer. Classrooms will have a fresh coat of paint and brand new carpet. Both are new colors and a much welcome change to kick off the school year.

Student washrooms as well as one of our conference rooms are getting a fresh coat of paint too. Groups and the Mindfulness room will be hosted in new spots next school year as well.

### SCHOOL UNIFORMS

Speaking of changes, starting next school year Premier Academy uniforms will be required for all students. Additional information regarding uniforms will be issued with the registration paperwork.
