## SPORTSMANSHIP AWARD

Sportsmanship is a style and attitude that can have a positive influence on everyone around you. It is defined as fairness, respect of one's opponent, and graciousness in winning or losing.

### ANASTASIA NECULA IS THIS MONTH'S PE STUDENT OF THE MONTH.

Her effort and attitude has been unmatched throughout the year and she always gives it her all. When she gets knocked down, she gets right back up and keeps going strong. She is well deserving of the Phys. Ed. Student of the Quarter to begin the year.

## TRUANCY TIDBITS

Nick Bertino, our Assistant Principal, provides new tidbits every month. For additional questions, please feel free to contact him at 815-416-0377 x 1101.

Welcome back to the 2019-2020 school year! We look forward to answering questions you may have on truancy, as well as working with you and your student.

Q: What is the definition of truancy?

A: According to State Laws on Attendance, truancy is defined as missing 5% of the previous 180 school days without valid cause. (Missing 9 school days without valid cause qualifies you as a chronic/habitual truant!)

Q: My parent/guardian called me in sick, is that a valid cause?

A: Unless you have medical documentation stating that you cannot attend school, having a parent call you in sick is not considered a valid cause and will be considered unexcused.

There is no substitute for classroom instruction. Research shows a direct relationship between regular attendance, punctuality, and school success. For your child to obtain the maximum benefit from his/her educational experience, it must be a joint responsibility between you, your child and the school. We look forward to working with you to help your child succeed.
