Notice to Attending Physician:

Due to state guidelines, the above child must be seen by a physician in order for absences to be excused. An absence will only be excused if the doctor orders the student not to be in school or a Premier Academy Administrator determines the student should not remain at school due to illness.

This form must be fully completed and signed by the physician and returned to the main office within 24 hours of returning to school after an absence. Without this form, completed in its entirety in the allotted time frame, the absence/tardy will be recorded as unexcused/truant.

Sincerely,
Nick Bertino
